

# CRAZY GOD STORIES

A 13 PART 30 MIN DOCUMENTARY SERIES

## CHRIS AND HIS QUEST...

*HE'S AN EXTRAORDINARILY AVERAGE GUY.*

Like the way Jesus was a carpenter. And Peter was a fisherman. Chris is a middle aged, married with three kids mechanic. Just like Jesus and Peter and Paul and John, Chris determined to receive the love of the Father, and then the power of someone who was way beyond their natural abilities called the "Holy Spirit". These ordinary guys with two eyes, two ears, a couple of arms and legs and probably B.O., dared to BELIEVE! And WOW! What they saw with their own

two eyes was phenomenal! Lepers having their rotting flesh turn to supple skin, some guy's shadow healing somebody, a bit of mud in the eye makes the blind guy see, a four-day old corpse walks out of a tomb... super cool and radical stuff like that. Unnatural, unexplainable, wondrous and completely wonderful evidence of the supernatural love of a Crazy Amazing God! And it happened to Chris, over and over again, day after day, week after week as he *SIMPLY BELIEVED.*

And he's not the only one! Chris is going to introduce you to others like him, who took God at His word, started listening to the Holy Spirit, and then just did what they were told, and then watched as God did what only He can do. Crazy amazing stuff! Loving people in incredible ways.

And these people of faith are everywhere. And so that's where Chris will go. To their offices, backyards, sidewalks, parks, barns, skyscrapers, board meetings, art classes, ballet performances, football games, old folks' home, street cars, operating rooms, airplanes, ski slopes, hokey practices, kindergarten classes, kitchens and karaoke bars, to find their beautiful, *CRAZY GOD STORIES.*

And then it will be your turn to be part of a CRAZY GOD STORY! After all, Jesus said, "the one who believes in Me, the works that I do, he will do also; and greater works than these he will do..." When people hear about the crazy amazing things God has done in the lives of others it strengthens them in their faith and empowers them to follow Jesus in new ways! Sounds like a plan! (for changing the Earth and for an *AMAZING AND TRULY INSPIRING DOCUMENTARY SERIES!*)
